

Meath Coaster Article – October 2019

HAPPY HALLOWEEN and Mid-Term Break!

We wish all our Parents, Guardians, pupils and staff a very safe and happy mid-term break. We have had an extremely busy and productive Term 1 and we are looking forward to the break. We hope everyone comes back refreshed and ready for Term 2!

Mid Term Break – School closed until Monday, 4th November, at 9.15am.

Parents Association – Halloween Themed Fundraiser.

Our Parents Association held their first Fundraiser of this academic year on 25th October. Both staff and children had great fun dressing up for the day, as the photos will demonstrate. Almost €1,000 was raised on the day and we thank parents and guardians for their contributions, which are so important in helping us improve resources available to your children.

Fire Drill:

The school completed its first Fire Drill this term and we were pleased with the timely manner in which children left their classes and went to their designated Fire Station, in a calm and orderly fashion.

BE SAFE – BE SEEN!

As the clocks change, the days are darker and the weather gets increasingly wet and cold. Please be mindful of providing your children with reflective armbands and placing reflective stickers on their school bags to enable them to be more visible to traffic.

BE WARM!

We remind all parents to ensure that their children have jackets or coats each day - for play time and for crossing over to the Parochial Hall for out-of-class activities.

Scoil and Spioraid Naoimh apply for Health Promotion School Flag:

“A health promoting school can be characterised as a school which is constantly strengthening its capacity as a healthy place in which to live, learn and work”..

For the past 2 years our school have been promoting the importance of positive mental health and physical activity in our daily lives. In October, the school has applied for the Health Promotion Flag for the recognition of all that has been achieved in the last 2 years.

Spanish Students who are experiencing our school for 8 weeks - Maria Esteba (Mrs. Doak's class) and Rosa Pardal (Ms D'Arcy's class).

STEM Challenge in Mrs. Doak's 6th Class - Pupils used recycled materials to design, test and create Noise Defenders

Mrs Doak's class "Anti-Racism in Football" Work Shop:
