

Principal's message August 2024

I hope this message finds you well. As principal of our esteemed new state of the art school, I am filled with pride and excitement having lead and guided the School Community into our new school on the 19th of June. Our recent achievements and celebrations have set a positive tone for the future, and I am eager to build on this momentum as we commence another academic year in September.

First and foremost, I would like to extend my heartfelt congratulations to our 6th-class graduates. The hard work, dedication and commitment of our Staff ensured that you would celebrate your last week in primary school in our new school .And what a lovely celebration we had to mark the end of a wonderful four years in senior primary school.You are now ready to embark on a new chapter in your educational journey. We are incredibly proud of each one of you and are confident that you will continue to achieve great things in post primary school.

We celebrated the retirement of one of our beloved teachers Helen Doak. Her dedication and passion for teaching have left an indelible mark on countless students over the years. We are grateful for her many years of service and wish her every happiness in a well-deserved retirement.

Summer break is a wonderful opportunity to explore new interests, read books, and enjoy the outdoors. I encourage everyone to take this time to relax, recharge, and spend quality time with family and friends.

I look forward to meeting all of you in the new school year. Together, we will continue to foster a nurturing and stimulating environment for our students, ensuring that each one of them can reach their full potential.

Thank you for your continued support and dedication to our school community.

Please keep a close eye for updates on our school website www.
